

ABOUT US

We offer Cyber Security and Information Security training and Certification in Delhi for Cyber Security and Information Technology aspirants. Since Decade, we have been in the Information Technology and Cybersecurity industry. You can learn more about cybersecurity, Techniques, and Tools to choose a better career path.

DESCRIPTION

Web Application Hacking and Security has challenges derived from the engaging iLab environments of EC Council - from Certified Ethical Hacker (CEH) to the Certified Penetration Testing Professional (CPENT); from Certified Application Security Engineer (CASE) .Net to Java. But Web Application Hacking and Security goes beyond this to more challenging scenarios as you advance through each problem.

Duration - 80 to 100 Hrs

Language - Hindi & English

Mode - Online & Offline

BENEFITS

- 1.Basic to Advanced Courses
- 2.Interview Cracking and Proposal-Making Sessions
- 3.Transparent Syllabus
- 4.Career-Oriented Courses and Certifications
- 5.International Accreditation
