Training and Certification

Cyber Security Educational Courses Professional Sessions

ABOUT US

We offer Cyber Security and Information Security training and Certification in Delhi for Cyber Security and Information Technology aspirants. Since Decade, we have been in the Information Technology and Cybersecurity industry. You can learn more about cybersecurity, Techniques, and Tools to choose a better career path.

DESCRIPTION

This is a highly specialized Advanced AI Red Teaming Training from Offensive Security, designed to teach modern techniques for attacking, testing, and securing AI-driven systems, LLMs, AI agents, RAG pipelines, and machine learning environments. As Crow Security is associated with Offensive Security learning programs, our role becomes highly important in delivering authentic study material, hands-on lab guidance, and professional training related to OffSec Adaptive Intelligence AI-300 and the OSAI+ Certification.

Duration -
40Hrs
